

Message from MOTHER OF MERCY

To THE WORLD

September 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

(Now there's a light. The light is getting brighter around her, very, very, very bright. I can't see anything but the light. The light is dimming, still dimming. I see a lady. The light is dimming more. She's coming forth out of the light. It's the Mother of Mercy! She has the Baby Jesus with her. She asks me again to describe what she looks like. She has a blue veil. It's wrapped around her face so you can't see her neck, and it wraps around the shoulders and falls behind like a cape. She's dressed all in white with a belt of gold and red in it. The dress is all white and flows to the bottom of the cloud. I do see her feet, but they disappear and reappear in the cloud. Her Son is dressed all in gold, and He's holding a ball in His hand, the world. I see it, and on top of it is a gold cross. Our Lady again is the same, big blue eyes, rosy cheeks, beautiful mouth, oval shaped face. Everything is the same, and she's surrounded by light and 12 blue, twinkling stars. Our Lord has "dirty blond" hair, and His eyes are a cross between a brownish blue, yes because they're starting to change Our Lady says. Our Lady says,)

My dear little children, praised be Jesus!

My dear children, today I desire you to live my messages and to return to God. I desire you to pray every day, but first, I call you to live the Bible. Today, anew do I invite you to read the Bible every day and to put it into practice. Don't only read the gospel, little children, but read the whole Bible from Genesis all the way through the Book of Revelation. Every word is directly given to you by God. This is the teaching of the Church. Therefore, little children, read every day the Bible. Encourage your little ones to read the Bible. Come together as a family and read every day the Bible. You can read it in one or two ways – taking it by chapter a day, or by reading one book each day. There's even a third way, by praying first and then opening the Bible randomly to see what God speaks to you every day.

I desire you to read the Bible and to live the Bible and the gospel message which I am repeating to you now again as I am with you. I desire you to live the Bible, for every word that is given to you in the Bible, I am repeating to you and asking you to live. The messages of prayer, penance, conversion, peace, love, mercy, sacrifice, all these things can be found in the Bible and in your daily living. Therefore, pick up the Bible again and renew your commitment to the Lord by reading and living it.

Know that I am with you, and I call you again to understand it was through my sorrow that I became your Mother of Mercy. You do not understand the mystery of the sword piercing my heart and opening wide the door to my mercy. I will try to explain it in simple terms so that you may understand and comprehend.

Little children, from the beginning of time I was destined, not only to be the Mother of God but also that a sword, as prophesied, should pierce my heart so that the thoughts of many hearts and souls may be revealed. In this it was necessary that I joined my Son and that this prophecy was fulfilled. Through the sword of sorrows, the seven swords of

sorrow, it opened every drop of blood and water and mercy and love from my own motherly heart. Not only was Jesus the center of my world but also the salvation of souls was also ever present on my mind. It would only come through the sacrifice of the Lady, Mary, that this would be accomplished, and so my heart was pierced seven times, opening for you my own blood and water and love and mercy. *(She's holding up her finger as in warning, and she says,)*

Do not disregard this message, for the blood and water which gushed forth from my own heart and soul is the same as that of your Lord's, for remember, He received from me, flesh and blood, the body. Therefore, Jesus was born entirely of me through the Holy Spirit. Therefore, little children, understand that you can approach my Son's mercy through me. This is my desire, little children, and my mission to you – to lead you to Jesus' love and mercy. He is forgiveness. He is love. He is mercy. Approach this fountain by coming through me. Remember your Rosary, Jesus through Mary, Mary to Jesus. I come to lead you to Him for we are one in body, and my heart is His heart as His heart is mine. Therefore, remember I am your Mother of Mercy, and if you need me, I am here to lead you to Jesus with the care, and love, and mercy of a mother.

Blessings, my little children. I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Know that as I make the Sign of the Cross again, my Son and I shall depart. We shall depart but we shall always be with you when, and especially when, you all pray. As I depart and my Son with me, I shall take your petitions into my heart and present them to my Baby Jesus and to the Most Holy Trinity who is merciful. Know that I am always with you. I bless you and all that is here, all that is with you, all that is in this room, and all that is on the altar, by the altar, and under the altar, and everything in this room including you yourself I am blessing, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my call. Now go, my dear little ones, in the great peace, love, joy and mercy of God Most High. Ad Deum.
