

Message from OUR LADY, MARY QUEEN OF PEACE
To THE WORLD

September 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is making a descent. Our Lady has twelve blue stars around her. She has a long white veil that flows to the back. Her face is beautiful, beautiful blue eyes, beautiful mouth, rosy cheeks, and I can see some of her hair which is dark brown and wavy. She's dressed in a bluish, grayish dress and there's a sheen to it, and she's on a white cloud. She says,)

I am Our Lady, Mary Queen of Peace

Dear children, today I desire to ask you, is God in the first place in your life? Little children, if God is truly in the first place in your life, then the Mass would be the first thing that you will go to every day. If God is truly in the first place in your life, then the Bible, the Word of God would be life to you.

Little children, do you pray? If God was at the center of your life, you would pray the Rosary and you would pray to Him in the silence and depth of your heart. Little children, I call you to renewal. Let my Son be in the first place in your life. Give time to Him, go to Mass, read the Bible, pray your Rosary, pray the Chaplet of Divine Mercy, and talk to God simply and honestly. He desires to pour forth praise in your hearts if you would open yourselves to Him.

Little children, I am with you, and also at this time do I call you to pray, pray, pray, pray, especially your Rosary until you have eyes to see, ears to hear, and hearts that beat for Him alone. The Rosary is the Bible in the form of prayer. It gives you the chance to meditate upon His life and to obtain the fruit of the mysteries., Therefore, dear children, pray, pray, pray yet again until the Rosary and prayer becomes joy for you. Little children, I am with you, and I call you to conversion and peace and prayer now.

Know that I bless you, and I extend to you my hands in prayer. *(Her hands are outstretched. She's praying over us. [long pause] Her hands are in prayer.)* Again, little children, I pray that God may be in the first place in your life and that you may give more time to prayer. Pray now to the Holy Spirit yet again that He may enlighten you to comprehend my messages and so that you may pray from your heart.

And now, little children, I give you my motherly blessings of peace, love, and joy, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. I take your petitions into my heart and I thank you for having responded to my call. Now go, my dear little angels in the great peace of God. *(She's ascending and the light is overshadowing her. She's still here. Now she's gone.)*
