

Message (3) from OUR LADY QUEEN OF PEACE
To THE WORLD

July 2, 2008 through Chris Courtis, a visionary in Maryland USA

(First she wants me to say that she has a white veil and a silvery/gray dress. There's like a sheen to it. There are 12 blue twinkling stars around her head, and she's just in light and there's a cloud, and she says,)

I am Our Lady, Queen of Peace. Praised be Jesus!

Dear children,

Today, like never before do I call you to live the messages that I am giving you. In order for you to live the messages, you must pray and believe firmly that I am with you. I love you, little children, and I have been with you now for these past eight years, soon to be nine, and I desire you to review, rekindle, and live the messages that I am giving to you here through this place which is also special to me. I know, little children, that you desire to live my messages, but yet you are still afraid. You do not desire a commitment. I tell you, the only commitment I desire from you is prayer, to me, now. Nothing is more precious and important to me than your own personal, private prayer life. Continue to pray and open your heart up to my messages.

For those who cannot live the messages that I am giving here, I desire you to live the messages of Medjugorje. Dear children, I am the Queen of Peace, and all my apparitions are culminating to one major place and that is Medjugorje. The messages that I deliver in Medjugorje are the simplest and are the greatest that have ever been known. In their simplicity they teach you conversion, peace, prayer, and fasting. Let the whole world know I desire people to live the messages of Medjugorje.

Also, dear children, do I desire to tell you yet again that I am with you. This is a period of grace. As long as I am with you and appearing, this is the time of grace. This is the time for conversion. This is the time for prayer. Therefore, dear children, realize I am with you, and I give you my motherly blessings every day. Open your hearts up to receive by motherly blessings and pray, pray, pray! Without prayer you cannot comprehend the messages that I am giving you. Pray to the Holy Spirit for enlightenment, and open yourselves up to my motherly blessing. *(She's blessing us.)* I give you my motherly blessing of peace, love, and joy, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Thank you for responding to my call. Now go, my dear little angels, in the great peace and mercy of God Most High.
