

Message from OUR LADY QUEEN OF PEACE

To THE WORLD

November 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear children,

I have come to be with you today to announce to you to live my messages. I am the Queen of Peace, but the time is coming that you grow in peace and you grow in greater faith. Therefore, dear children, realize and know that I am with you. I have to give this message first so that you will understand.

The time has come for me to say goodbye. In December, I will appear. In January, I will end my visits until next January (2010) when I will appear again. This time is given to you by the Father and my Son so that you may grow in holiness and prayer. I also know that God the Father and Jesus promised to appear in April. I have asked for this time of prayer, and I'm asking for your sacrifices. This is for your own good, little ones. I desire that after January 6<sup>th</sup>, which will be public, that the apparitions end for a whole year. God is granting me this grace so that you may grow in faith.

Listen, you do not receive faith through visions or apparitions. You receive faith by building upon the good that you have already received. Signs and wonders and even personal confirmations in your life are meant for you to grow, to build upon the good, and to grow towards holiness. This can only be accomplished by growing closer to my Son. I desire that you continue to pray and to meet with me on the second of every month. If need be, I will appear, but only if I have to.

My little children, the time has come for you to walk in faith. I have given to you all my messages. Now, it is time for you to live them. I want your faith to become strong, solid and firm. This happens by meeting with me, by praying, and by believing, and by growing on the good that you have already received.

I love you, little angels. Know you are all my angels, but I want your faith, not your words. I want your faith to speak words, and I want your soul to be transformed in the love and mercy of my Son. Only trust in God, love, and mercy will lead you to holiness. But you must take the first step. Sacrifice your life as my Son did and believe firmly that I am with you when you pray. Know I do not leave you, little children. I remain always with you. Even if you do not see me, I am with you. Let your soul receive graces, and let your eyes and your soul see with faith. Only this has merit before my Son. And now my message as Our Lady, Queen of Peace.

Praised be Jesus!

Dear children, today like never before, do I call you to have a strong faith in my Son. Only through prayer and sacrifices and building on the good that you have received will you receive the gift of faith and be given the strength to move forward in your relationship with God. Now is the time, my little children, to as you have never prayed before. Pray, pray, pray, and surrender to the gift of mercy and love which is coming from my Son to you.

Little children, I also desire to call you to my Son. He is the one I desire you to imitate and emulate; therefore, let daily Mass be your everyday joy. Let the Mass grow inside you and fill you with the joy of Jesus. He is with you. Believe and pray for your own conversion and for those around you.

I love you, little children, and I bless you. I take your petitions into my heart and I extend to you in great humility and love, my hands over you. (*She's praying over us. She says,*) May the peace of my Lord remain in your hearts. May your conversion be solidly based upon the Lord, the Holy Scripture, the Mass, and prayer.

And now, little children, I tell you once again to live the messages of Medjugorje. I am the Queen of Peace, and I am with you. The time has come for you to walk in faith and believe. Blessed are those who do not see and yet who believe. I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. Thank you with all my heart for having responded to my call. Now go, my little angels, in the great peace of God Most High.
