

Message from OUR LADY, QUEEN OF PEACE
To THE WORLD

October 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is here. She's dressed in a long white veil, sort of thick but it's not heavy. She's dressed in a grayish blue dress. She's on a cloud. There are 12 twinkling stars around her, blue, just like the blue sky behind her. She says,)

My little children,

I desire you to continue to pray and to fast on Wednesdays and Fridays. If you cannot on bread and water, then give up television or anything else that you desire that is pleasurable. Give it up and offer it up as a sacrifice to the Lord Jesus.

Praised be Jesus!

Dear children,

Today, I desire to call you to prayer of the heart. Little children, not with words do I desire you to speak in prayer but from the heart. Pray from the heart, little children. Seek solace and refuge in prayer. Prayer should be a joy, not just a sacrifice offered. Give time to prayer. Pray from your heart. If you find it difficult to pray all 20 or 15 decades a day, then I suggest to you two Rosaries as long as you pray from your heart. Speak to me simply and honestly, and I will help you. If you pray the Rosary from your heart, I will be able to help you. If you pray the Rosary from your heart, you can melt the hardness of the hearts of men. If you pray the Rosary from the heart, you can obtain peace. The Rosary alone can work miracles. Give time to prayer. Give time to prayer and pray, pray, pray!

Also, little children, I desire to call you to greater faith and trust in my Son. My apparitions and appearances here do you no good if you do not have faith and trust in my Son first. I have not called you to believe in my appearances, but that you have greater faith and trust in the Lord Jesus who is my Son and your Savior. I am His mother, the Mother of God, and I am the Queen of Peace and your mother, and I will pray and intercede for you to my Son, but you must say and pray your prayers to Jesus. If you ask me, I will help you to pray. Pray to the Holy Spirit so that you may open your hearts and live the messages I am giving you. And, as always, please continue to live the messages of Medjugorje.

Now, I extend to you my motherly blessing of peace, love, and joy. *(Her hands are out over us. She's praying over us.)* I extend to you my motherly blessing of peace, love, and joy. Let it penetrate your heart, and may you be renewed in Christ Jesus, Amen. Now I bless you with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

(There's a luminous cross that's behind her. She says,) Thank you for having responded to my call. Go, my little angels in the peace of God. *(The light is enveloping her. It's overshadowing her, and the light is disappearing up through the ceiling.)*
