

Message from OUR LADY OF THE ROSARY OF FATIMA,
To THE WORLD
January 2, 2009, through Chris Courtis, a visionary in Maryland, U.S.A.

(She's making her descent. She says,)

I am Our Lady of Fatima.

My dear little children, in the great peace and love and mercy of God, I greet you. I thank you for coming and for praying with me now. In these days that are sorrowful and troubled times, know that my Immaculate Heart sends rays of love and God's mercy into each one of your hearts. Thank you, my dear children, thank you.

My dear children,

Today I come because the Lord God Almighty which is the Father, the Son, and the Holy Spirit, the Most Blessed Trinity has allowed me to come and to be with you here in a special way. Little children, I have to come to give you another urgent and last message under this title for this year.

My dear children, you must stop offending God! I point to Jesus in the Eucharist as your only means for salvation, conversion, and peace. No other weapon is needed than Jesus in the Most Blessed Sacrament, other than the Rosary. Surrender yourselves to Jesus in the holiness of the Mass and Eucharistic Adoration, and you will be filled with joy, peace, and the presence of my Son. Pray your Rosaries and live the Rosary within your heart.

I come because God allows me and because I am needed. The world has yet to see the forces of nature. The world has yet to see God's justice unfold. Therefore, dear children, pray, pray, pray so that I may intercede before God and obtain an alleviation of His just judgment. Little children, I am Our Lady of the Rosary, and I am still able to save you from many disasters that are coming, but if sin grows and people do not surrender themselves to Jesus in the Blessed Sacrament and to my heart through the Rosary, then there will be much more to suffer.

This is your chance, little children, to awaken before it is too late. God's blessing has showered you abundantly this new year, but it is still up to you to surrender, pray, and return to God. My call goes out to all of humanity, to all nations of the world. My dear little children, you must stop offending God for He is already so greatly offended by the grave sins throughout the world and the sins of ungrateful men throughout the world.

God desires to give you a second chance, but it is up to you to return to Him and live by His Commandments and love one another as He has loved you. With tears in my heart I cry out to all humanity. You must stop offending God! Jesus' Cross is heavy and you can lighten His Cross by your personal sacrifices. Sacrifice and pray for the conversion of sinners. Pray for your soul and for the souls that are around you to return to God and to live in His holiness.

I cannot give you any new messages until you live the ones that I am giving to you. Praised be to Jesus for giving you this great mercy and the great gift of His love. I love you all, and I pray for you wherever you are. Thank you for your response to my call. *(There's a light. It is enveloping her. It's now fading. I see something. It's Our Lady, Mother of Mercy.)* [See next message]
