

Message from OUR LADY QUEEN OF PEACE

To THE WORLD

January 6, 2009, through Chris Courtis, a visionary in Maryland, U.S.A.

I am Mary, Our Lady Queen of Peace. Praised be Jesus!

Dear children,

Today, like never before do I call you to the peace of God. Little children, at the very moment that I am appearing, I have invited you and the whole world to conversion and peace in my Son. From the start, I have called all people to pray for peace and to give peace to others, and to live peace, and to be an example by the life you lead.

Today, little children, I call you to renew your commitment to peace by means of prayer. Little children, I desire to keep you in prayer so that you may be protected from the world, and all that Satan is doing, and all that he is offering you. Protect yourself through prayer. Pray! Pray! Pray!

Again, little children, in order to pursue peace and live it, I say to you, it is not the amount of hours that you spend in prayer, but the many hours you spend praying from your heart. If you only pray from your heart, even for a couple of minutes a day, you will grow closer to my heart and the Heart of Jesus, and you will be filled with peace. I'd rather you pray one Rosary from your heart than pray all twenty decades and it not be from your heart. I desire to grace you, little children, but your hearts yet are still not completely opened to me and the way of peace which my Son desires to give to you. Therefore, dear children, fast on Wednesdays and Fridays, and go to Jesus. Go visit Him in Eucharistic Adoration, and also be filled with His living presence of peace by receiving Him in the holiness of the Mass.

In this special time, I'm calling you to pray for the gift of the Holy Spirit which you need now. Pray to Him for the gift of greater faith that your hearts may be open to the call of peace which I'm again revealing and repeating to you, there is no peace without my Son, and there is no peace in intimate union greater than the Holy Mass. Therefore, little children, you need the Holy Mass, and do not forget to seek intimate, quiet time praying to Jesus so that He may grace you with peace.

My Immaculate Heart also desires to give you peace. Therefore, pray my Rosary daily. Pray and you will be filled with peace because the Rosary is wrapped around my Immaculate Heart. Your conversion needs to be rooted in prayer in order for peace to be maintained in your hearts and souls and so that your conversion becomes easier.

Also, dear little children, I call you again to read and live my messages. My little children, read the Bible. Read the gospels. Know that my message of peace is the same one that is being given to you through the Holy Bible and the New Testament, the gospels. Please, little children, please know that my words are simply an echo of scripture. As Queen Esther interceded for her people for peace, so do I today intercede for you for peace. That is why, dear children, you must help me accomplish this through prayer and fasting. My messages are the same as in the Bible. Read and rededicate yourselves to the Word to the glory of God which is the Word.

Also, live my messages again of Medjugorje. It is important for you to realize that I am giving two messages there a month and that you are called to live them, and that you are called to root them deep within your heart, and continue to do all that I am asking you to do. I cannot help or move anyone who does not wish to be moved and those who do not wish to respond to my call. I cannot give you any new messages until you begin to live the current ones, not only here but in Medjugorje. Therefore, dear children, pray and rededicate yourselves to all that I have said. God has blessed you with His mercy and with His peace because I am here, and I will always be with you, all of you, whenever you pray. Know that I intercede for each one of you before the throne of God.

And now, my little children, I extend my hands over you in prayer. 'May the Lord Jesus be your Prince of Peace. May the Holy Bible and the Word of God be glorified in your souls through prayer, fasting, and conversion. May this bring peace to your souls and give you the chance to live united to my Son, Amen.'

Know that I bless you all, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. I extend to you my motherly blessings of peace, love, and joy which you can extend to others. Thank you for having responded to my call. Go in the peace of God.
