

Message from OUR LADY QUEEN OF PEACE
To THE WORLD

May 2, 2009, through Chris Courtis, a visionary in Maryland, U. S. A.

I desire to make known again the feast of Mother of Mercy. I desire before the feast of Mother of Mercy that you pray the Mother of Mercy Chaplet in the nine day novena preceding that feast. *(She's here under the title of Our Lady Queen of Peace. She's so beautiful! And she's wearing a grayish blue dress and twelve beautiful blue twinkling stars. She says,)*

Praised be Jesus!

Dear children,

Today, I again call to your hearts for conversion. Little children, give time to God. Make God the center of your lives, and you will be more graced filled and rich with His mercy. If you make God the center of your life, you will know true conversion. True conversion, little children, comes by being close to the Father, to the Son, and to the Holy Spirit. Therefore, I invite you, little children to pray, pray, pray, pray! Pray to the Holy Spirit. Pray to my Son Jesus, and pray to God the Father. Open your hearts to His Word through Holy Scripture, and live the Holy Mass.

Little children, you cannot say that you are converting if you do not find time to pray. Through prayer you will come even closer to the Heart of my Son and to God. Therefore, little children, give time to prayer. Pray, pray, pray! Also, little children, I desire you to pray and fast on Wednesdays and Fridays. Prayer and fasting will mete out to you more graces, and it will help you to convert more fully to the things that are of God than of the world. The best form of fasting, little children, is fasting on bread and water, but if you cannot do that, at least give up television.

I love you, little children, and I desire you to be ever closer to Jesus. Therefore, convert, convert, convert! Convert through prayer and Holy Mass. This is the only message I desire to give you. Convert your hearts more to God. Give Him the first place in your life, and you will be a richer and fuller person for doing this. I again call you live my messages of Medjugorje for I am the Queen of Peace, and I am still appearing there. My messages are of great importance because they call you in it's simplicity to conversion, prayer, and peace. *(Her hands are outstretched over us in prayer. She says,)*

My dear children, may Jesus be the first place in your hearts. May the love that you have for my Son and me grow ever and ever fuller every day. And now, little children, I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Go, my dear little angels, in the peace of God.
