

Message from OUR LADY QUEEN OF PEACE  
To THE WORLD

January 2, 2009, through Chris Courtis, a visionary in Maryland, U.S.A.

I am the Queen of Peace. Praised be Jesus!

Dear children,

Today, like never before, do I call you to live my messages. Little children, I am with you, but I desire you to listen with your heart, to pray with your heart, and to live in holiness. Holiness can be achieved through prayer and Holy Mass. Little children, it is time that you work on your souls. Pray more, and return to the Most Blessed Sacrament. My son Jesus has given to you great graces, and you fail to realize the importance of my coming.

Little children, pray and surrender yourselves to God and to me, and live the messages that I am giving to you. It is important that when I am not here that you continue to live the messages of Medjugorje. I am there, and I am here to call you and to invite you to the road of conversion and peace. Pray and fast on Wednesdays and Fridays and do not forget to pray, pray, pray! My son Jesus, who is the Prince of Peace desires to live within you. Sanctify your souls through prayer, and return to the holiness of the Mass.

I cannot give you any new messages until you live the current ones. I pray and intercede for each one of you before God, and I extend my hands over you in prayer. "May Jesus be your light and your hope for this new year. May your conversion be soundly rooted in prayer, especially the Rosary, and the Most Blessed Sacrament of the Altar, and the Mass, Amen" These are your tools, dear children. Listen and live with your heart all that I am calling you to do. Live, live, please live the messages of Medjugorje.

I am the Queen of Peace and I extend to you in blessing my motherly blessing of joy, peace, and love which you can extend to others. Pray, pray, pray! Thank you for having responded to my call. I bless you in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Go, my dear little angels, in the great peace of God. *(There's a luminous cross behind her.)*
